

PROJECT FLOORS

the up-to-date company

P L A N F O R P E R F E C T I O N

in Retail

Choose perfection.
Choose Project Floors.

Uniquely the best... the brand of success

Project Floors is the leading flooring choice in retail with many high profile stores enjoying a truly stunning flooring solution.

Project Floors is proud to be a Kiwi owned and operated company.

Project Floors boast an expansive level of knowledge and experience within the New Zealand flooring industry.

Project Floors guarantees an impressive stock holding at any one time, which means no order indents and delivery is on time, every time.

Project Floors manages your project from start to finish priding ourselves on the highest quality control and service standards.

Project Floors are innovative market leaders pushing the boundaries in flooring design and dimensions so that our customers receive only the very best.

Project Floors designs flooring solutions for the New Zealand market. Flooring made by New Zealanders for New Zealanders.

- Authentic natural look
- Low maintenance
- Quiet underfoot
- Hardwearing and durable
- Extensive range of colours and designs
- Value for money

“From Angela Daniel Jewellery shops, to Stylexpress Hair salons, the product has stood the test of time. All the products are top grade and weather the high wear retail environments without any problem. I would have no hesitation in recommending to others. The only thing is, is that in doing so, I feel like I am giving away a trade secret!”
